“ Dear family members sorry for your loss. We want to live, and we want to enjoy life with those we love. Naturally we yearn to see our dead loved ones again. The Bible teaches us that most people who have died will live again. Jesus promised that "those in the memorial tombs will... come out." (john 5:28,29) In harmony with God's original purpose, those resurrected as humans will have the opportunity to live on a paradise earth. (luke 23:43) This promised future includes perfect health and everlasting life for obedient humans. The Bible says: "The righteous will possess the earth, and they will reside forever upon it."-Psalm 37:29 May these scriptures prove to be a source of comfort for the grieved ones.
