“ *I am a friend of Tammy's, we met in college and became good friends and roommates. I also knew Jim, we were all friends. I am so sorry to learn of the passing of Christopher. First to Jim and Tammy his parents, but also to his brother Craig, stepfather Andrew and all family members and friends who were the meaningful people throughout his life.*

I read the Ancestral Song that Christopher wrote, and was moved to tears. He had so many gifts and he seemed to generously share them with others. I was inspired to learn about the mission trips to Mexico and his work with autistic children! Also receiving a Bachelor's degree in Music Composition from Columbia College was a great achievement.

I didn't have the pleasure of meeting Christopher but I hope to meet him in eternity! I am so sorry that I won't be able to attend the funeral services but I will be praying at Mass in Indiana around the same time and will pray for everyone.

Tammy is one of the sweetest people I know and I am sorry that she has to go through this loss. May everyone receive the Lord's miraculous healing and grace at this time. God Bless You!

“ Christopher was always very kind and went out of his way to show me the "inter workings" of all the fire equipment each time we met for the 12 years I was the Fire Commissioner at Plymouth Township. We had a mutual interest in the engines and all the fire equipment. He will be missed as a person and a Firefighter. Ed Snage

“ Chris was my neighbor for over 20 years. He gave me my first job letting me mow his grass every summer. I remember when he hosted a pig roast and i could smell at at 5 in the morning. It was sooooo good. It was always nice to see him and say hello.

“ It was a pleasure and honor to have known Chris for 30 years, starting our careers together with Plymouth Township Fire Department, along with Mike Perry, Andy Stager and Dan Neault. Even though all of our careers ended up in Departments, we had always remained close!
Through the years, we had seen each other grow, starting families and growing in our Departments, and meeting Monica!
Over the years, my wife Lisa and I shared a lot of laughs and supported each other through tough times with the whole gang!
You will be sorely missed brother!!
With great love and admiration,
Lisa and Mike Bailey

“ As I sit here crying over the loss of Chris, I find comfort in the memories I have of him. My husband, the late Larry F Groth, Fire Chief for the Plymouth Township and Plymouth Community Fire Department, hired Chris as a volunteer firefighter and he had the pleasure of later hiring Chris into the full time rank of Firefighter. Chris went on to do so much more, not just as he progressed through the ranks but as he became one of my favorites. We spent so much time talking about the Township, the good and the bad and the fact that he had it in him to be different and to be a positive change in the future of the Township, through his kindness, his positivite, optimistic outlook (even when it was hard) and his compassion towards others; those he worked with and those he served and helped in so many ways through his profession. When I was a leader in the "Take Back Plymouth Township" movement, Chris was the first to send me an email in the middle of the night to say.... I can't believe you did it, but you did! Of course there were many who made that happen. Larry had a high opinion of Chris and found so much comfort in being able to involve Chris, along with Don Hahn and a few others to work on compiling specs for the purchase of new fire equipment. He knew the Township was in good hands. I love Chris and I loved the person he was. I will forever miss his smile, his sense of humor and his character. I am one who is eternally grateful for the time that I had the privilege of knowing Christopher Mack!
