“ *Hello,I did not personally know your beloved Clara , but I would like to express my sincere condolences to your Family in your time of sorrow.I would like to leave you with an encouraging thought from the Bible. It's taken from Isaiah 25:8, " He will swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces, And the reproach of his people he will take away from all the earth,...." - So the bible promises a time, soon in the near future, that Death will be done away with and we will be able to see our loved ones again! I hope this will be encouraging to you during this time.*

“ *I didn,t know Clara for a long length of time but the time I did I will always treasure. I met her at my beauty shop as a customer. Her son LeRoy would bring her in. What a fun person and what a sharp person she was. She always made you want to smile. I will miss her. My thoughts and prayers are with all the family*

“ WoW! 91 years old was Clara. It reminds of Psalms 90:10 when it says "In themselves the days of our years are seventy years; And because of special mightiness they are eighty years. Well our dear Clara will be missed with all her hugs and kisses that went out to the grandchildren. Just keep this one thought in mind that Jesus promised us at John 5:28,29. Once you read it, you'll see that your tears of sorrow will turn into tears of joy. If anyone is interested in finding out the Bible's answer to "What happens to us when we die?" “ It looks like we will not be able to make the service. Aunt Clara was always very special to me. She always had a very big and loving heart. I remember traveling to her house and staying there. She fixed big breakfast and made very sure no one wanted for more food. I remember her always asking for kisses and freely giving them. There are so many things I remember I can't record them all. I now know Aunt Clara is getting her BIG hugs as our Father holds her. May God be with you as you remember this wonderful lady.
