“ *Scott and Jared, My prayers are with you guys during this difficult time. Words can't express how I feel for you. I am sure you guys will be there for each other.*

“ *Mrs. Weisz was my 10th grade math teacher. An 89.3% in her class kept me from the first 4.0 of my high school career. I was willing to do anything to get that A, but Mrs. Weisz taught me that it was inspiration to work harder for that A in the next quarter. She will be missed dearly.*

“ Hearts broke all over the PCEP campus on Tuesday when we lost our friend Clara. Leslie, Jared and Scott, I know these are the darkest of days but I hope you can find some solace in the pride you must feel at having such a remarkable person as your wife and mom.
