“ *The Kindness*

*The threads are showing in your jacket.
The gentle smile, the kindness person I have known.
Your heart beat is slowing, your breath is growing thin.
I missed you in your life, nothing is walkable transportation is
sporadic.*

*So many barriers to doing what you should to be friends to be
family.*

You still are my family. I still love you.

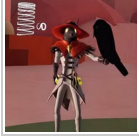

*One of the last of a line of hero's who starved in the great
depression and brought hope to a nation.*

*My clock maybe halfway out or sooner, I am glad that I had a
chance to meet the kindness person in my life.*

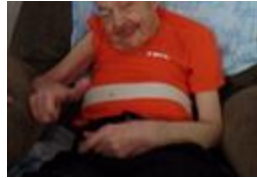

*So much was taken from you in an accidental moment, yet your life
and smile was a testimony to light.*

Love you, Uncle Clarence. Will always remember when you used to play tickle monster with us kids. Don't let your brother pick your pockets. You know Chet always tried to get them. Give him and Dolores a kiss for me
