“ *m truly sorry to hear about your lost. Claribel will definitely be missed. Death is something not easy to swallow but what helps me to cope is the Bible. At Revelation 21:4 it stats "he will wipe out every tear from there eyes and death will be no more neither will mourning nor outcry nor pain be any more." God (Jehovah) promises to get rid of death and the pain that we all feel when we loose a loved one in death in the near future. Dion truth.1914@yahoo.com*

“ *We get to lose our loved ones at the times we don't expect and at the time we need them the most. Therefore it is heartbreaking but the comfort comes from knowing that the dead are not dead in the minds of Jehovah God as his word the bible says that we should have hope concerning those who are sleeping in death, Claribel is just sleeping in death and will be awoken by God at the resurrection day to be reunite with family and friend. God has promised to swallow up death and more sickness and dying, Isaiah 25:8 and John 5:28*
