“ *I didn't have much of a father growing up and so never really had the sense of security and protection that fathers bring to their children. But I will nver forget one day when Roger and I were trying to buy a house,I was home on maternity leave, and we received word that we could not qualify for the mortgage. The bank had imposed several seemingly insurmountable conditions on giving us a mortgage and I was sure we would lose our house. Pete heard about this from Roger and called me. He assured me that it would be alright and things would work out. I got off the phone much calmer and with a sense of security and being cared for that I had never had. I finally "got" the "father thing" that I had never had before. It has been a tragic loss but rejoice in what we have all had for so long.*

“ Our deepest sympathy to the entire Stacey family for the loss of this great man....He left his mark on this world in so many ways...All the children, grandchildren and a marriage with such longevity we all admire...I'll always remember those powder blue construction vehicles all over Michigan highways....and we always said, "There's Mr. Stacey's machines!" And now I know my darling nephew's namesake...We never knew his Grandpa was also Clayton...Hugs from Germany to you, particularly to our dear sister in law, Jane...Love, Mary T. , Chuck, Charlie and JP

“ Dear Patricia and family, Jeff and I want to express our sincere sympathy to you and your family during this very difficult and sorrowful time. What a shock to receive the news. I know Pete was a kind and very distinguished man--a loving husband and father. Our faith tells us only God knows the time and the hour when He chooses to bring a loved one to share eternity with Him. May you find peace knowing Pete is enjoying the beatific vision of God for all eternity. I had my cancer treatment today. I don't know if I'll be able to attend the services. If not, know that our thoughts and prayers continue to be with the family. Diana and Jeff Ziegler
