“ *Dear Dad, I have picked up the phone a million times since your passing to call you just to hear your voice, and quickly remember you are on the other side with Camille - and the others. I miss you very much and just needed to send this little note to let you know you are greatly missed and were loved beyond words. Heidi*

“ *So sorry to learn of Kim's death. I will always remember him as one of my best looking cousins. I will be unable to attend the memorial service but will be thinking of all of you.*

“ *Our Uncle Kim ("Punkadoodle" to his great-niece Olivia) was so dear to us. I will always remember him with a sly grin, a twinkle in his eye and that stoic exterior, hiding the biggest and softest of hearts. Spending time with him and my cousins at the Fowlerville farm are some of my greatest childhood memories. His great-niece Olivia loved his Otter Oaks farm and garden, picking veggies with Punkadoodle and Auntie, two of her favorite people. We love you Uncle and we will always hold you with us. God Bless and Godspeed.*
