“ *"Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his (Jesus) voice and come out."- John 5:28, 29. This comforting scripture and many others can be found in Jehovah God's word the Bible. I hope this gives you some measure of solace at this trying time.*

“ *Thank you Clif for being so very kind and loving to all of our family, especially Cara. We have so many beautiful memories to look back at. I remember when you first visited us, putting our deck on and Cara's baby swing, gosh it was so cute. We would sit on the deck and watch the kids swim, and Cara would be swinging and smiling. I was just showing Steve the big rocks you and Deb brought us when you visited Big Bear. Oh, and I will never forget our times at Disney, when you paid for all of us to stay at the Disney hotel, and 3 days at the park. You would be holding that huge movie camera taking videos of the parade, and then when we got home to see it, you discovered you weren't filming anything. I remember Deb was upset, but we all had a good laugh later. I have pictures of Cara sitting on your shoulder as she watched the Lion King parade, I don't know who was more excited you or Cara. You will always be in our prayers, always! I know we will see you again, when it is our turn to leave, until then I thank you so very much for being a part of our lives. God Bless You Always, Love, Steve, Esther & Cara*

“ My thoughts and prayers extends to the entire family. knew him for over 30 years , one of the kindest human being I ever met , he loved people and was ready to help anyone , any where for any reason, actually he enjoyed that and never expected any return favor, he was a giant heart that few people ever discovered. Men in this category are so rare , we moved from the neighborhood so we did not had a chance to see him more often I missed that more importantly I miss him and his Million Dollar smile that he freely offer everyone. Rest in peace my friend we will work together again somewhere.

“ Dear Clif, How to say everything that is in my head in a few simple words. I guess I never gave thought on how much impact you actually made on my life. The picture of you here kills me to think such an amazing mans smile isnt used for the better good but for people to shed tears, tears that should be large smiles like this picture. I wasnt always there.....At all even. I lived 700 miles away and never gave a single phone call that I can remember. None of that means that I respect you any less cause all I see is a man...Legend even telling me not to fall off the side of the boat whenever I would come to your cabin. Even those silly cheesy jokes that still make me crack a smile even though half of them werent even funny.

“ Clif you are sadly missed. You are the greatest Husband, Father and Papa your family could ever want. Your world revolved around your family. there wasn't anything you couldn't fix and always the first one to say "I'll help" Everytime I called your home I would ask you "How are you?" and every time you answeed "doing fine for a snotty young kid" I will forever have a special place in my heart for you. And my promise still stands, I'll do whatever it takes to help with your loving family. Love you Clif.
