“ *I remember the Stroebels well. So glad my sister Amy sent Clint's obituary information our way. The family was always so kind and friendly to the Schmitzes, and Aileen to me. Clint was a champion for the Lord, and God used him well over the years in so many areas of the Church. We are blessed to know him and to experience his ministry among us. May God's gracious arms welcome Clint into His eternal presence. We look forward to the day we join Clint and all the saints in light before God's throne, and what a great reunion that will be. We send our love to the Stroebel family and surround them with our prayers.*

“ *My deepest condolences at the loss of Clint. Clint was dedicated to Plymouth township. He served on the Planning Commission during the Township's growth years when the job was demanding and difficult. He later helped shape the township by enforcing the Zoning Ordinance he helped create. The residents of this wonderful community thank you for your years of service.*
