“ For the Lowery's and all who loved Mr. Lowery. He was always a happy and interested man who had a glimmery sparkle in his eyes. We loved his stories and kick-in-the-pants way of looking at every situation. We always felt welcomed by him and we will always smile warmly when we think of all that he shared with us. We are only comforted in our aching for your loss of this wonderful man by knowing that right now in heaven, there is a blue eyed happy handsome man making all those around him happier that he is calmly resting at home. May you find strength in his peace and may you always know that his memory has touched and will live on with all of us. -Love: John, Liz, Adam & Mimi
