“ I was never aware of you until adulthood. Mr Kendall helped me find you. We exchanged photos and letters, which stopped. I do know why, but I do know this. I walk in faith believing We will see one another in glory. Maybe then I will also meet my sisters. RIP.

“ We communicated by mail. You sent me photographs and we spoke on the phone. How I wish I could have met you in person. One day, God will provide that reunion. Until then, RIP.
Sincerely,
