“ *Colette was a wonderful person with a contagious smile. It was easy to see how much she loved her job at Dodson. Besides being in the Media Center, she always took care of the students and the drivers as they pulled up to school. We had several conversations about how she had to say the same thing over and over to people in the parking lot... (and then she would laugh). Thinking of her family at this very difficult time.*

“ Colette was our grammar queen, media guru, traffic cop and gal Friday! She worked endlessly for the staff and children of Dodson. We have been, and will continue to miss her; her laugh, her smile, her matter-of-fact way of seeing life, her wisdom. The Trevarthen family is in our thoughts. We send you love.
