“ *Connie was always a kind and genuine person when I worked with her at Silver Springs Elementary in Northville in 1988. When she came back to teaching we were Learning Consultants at the same time. I hadn't seen her in a while but she was the same lovely person. I'll never forget the big hug I got from her. I was blessed to have known her. My deepest sympathy to her family. I am praying for peace for each of you.*

“ *Praying for all of you, and sending sympathy and love.*

Praise God for the peace Connie now has, hugging our Lord and those she love who went before her. She will always be in my heart, as she made me a better person just by knowing her and being a part of her life. We have been blessed to have Connie and all of you in our lives. Wish we could be there, but love transcends distance.
