“ *Where do I begin. Connie, you will be missed by so many of us who loved you and admired you. You were always there with your great personality and wonderful smile. We did so many things together throughout our Kelsey Hayes years and many after. I thank God for the gift of having you in my life. I will miss you, but I know that you are in Heaven and flying with the Angles. Sending Prayers for your family for comfort and love.*

“ *Connie was an amazing co-worker, friend, mentor and supporter. Whether at work or after work activities, Connie always made it more exciting. She was "ageless" and befriended people of all ages. I'm fortunate that she walked with me on the trail of life. Fly through the heavens pretty princess!*

“ *Connie Woodrich was an indomitable spirit - and I had the privilege to know and love that spirit over the past 3 decades as she welcomed me into her family upon my marriage to her daughter Cindy. There are people that have a profound influence on your life and I was lucky to have two moms that did that for me through encouragement, love and laughter. What I will remember is that she always had a smile, a kind word or said or did something that would make you laugh. And she never shied away from a challenge - how many people do you know who took up rollerblading in their 70s and ran circles around people half her age? We saw the beauty of a life well lived and will look forward to seeing Connie in heaven where I am sure she is now making the angels smile today and forever.*

I am truly sorry I have to miss this. Have memories of this beautiful woman going back many years. She was a stunning lady when I first met her in 1964. And was a gracious and kind person in all the ensuing years. I was lucky to have known her. Praying for her and her family.

“ *We have been neighborhood friends with Connie since we moved in to PG. Since 2011 we have seen her and chatted with her over various topics. Gayle and I will miss seeing her at the meetings and gatherings around PG. We cannot attend the services due to our own health concerns. May she find peace and comfort*

“ I worked at Kelsey-Hayes with Connie. What I remember about her is she was fearless at every age of trying new things -- skateboarding, biking, etc. She always had a smile on her face and didn't seem to let anything or anyone get her down. I never heard a negative remark about her and I never heard her make a negative remark about anyone. The men were crazy about her and she was well-liked by the women too.
RIP, friend.

“ My deepest sympathies on the passing Connie. Connie was my second cousin. My mother, Violet Stewart, was her first cousin. Though I had not seen Connie for some years, I remember that the last time I saw her was at Nettle Lake at one of cousin Gene's family get-togethers. I am sorry that I cannot attend the services on Friday since I am still working.

“ Connie was a lovely lady! She was beautiful inside and out, she was kind and loving. She was my second Mother who meant the world to me.. Connie lived life to the fullest and had a great fun experiencing it. She was always laughing and trying new things and looking for the next mountain to climb. If she wasn't downhill skiing, she was snorkeling, if she wasn't playing tennis, she was golfing. If she wasn't holding panda bears in Australia, she was visiting an island in Fiji. She lived life to the fullest and raised and supported a family while doing so. Connie was a lovely lady whom I respect so much. I can only hope I live half the life she did, and she did it so well. We will miss you Connie.
