

Corinne Robertson

February 20, 1964 - October 8, 2024

Corinne Robertson, beloved wife, daughter, sister, and friend, passed away on October 8, 2024 at the age of 60. Born on February 20, 1964, in Detroit, Michigan, she was the cherished only child of Theresa and Arnold Meadows. Corinne's birth was a true blessing to her parents, especially to her mother, who had faced numerous challenges in starting a family. Corinne's parents raised her with care, creating many cherished memories that would stay with her throughout her life.

Corinne grew up in a household full of love and devotion, with parents who took genuine interest in her hobbies. Her father, an avid hunter and fisherman, instilled in her a love of nature and the outdoors. Every summer for 15 years, the family traveled to Manitoulin Island in Canada, where they enjoyed the simplicity of nature—fishing, telling stories, and bonding without modern distractions. Fishing became one of Corinne's favorite past times with her parents. Manitoulin became her home away from home, and those summers left a lasting impact on her.

Faith was central to Corinne's life. From an early age, she developed a strong connection to God through the Methodist church in her neighborhood. She took great pride in living as a disciple of Christ, always striving to be a positive influence on others and a source of love, compassion, and generosity. She attributed all of her actions and achievements as blessings from God.

She pursued her education with dedication, earning a Bachelor's degree in Business Administration with a focus on Computer Science. It was early during her career in PC support, in 1986, that she met the love of her life, Carl Robertson. Corinne worked her way up to the role of IT Manager at Unilever, where she served from 1991 until 2002. Her success was a testament to her hardworking and dedicated nature, always striving for excellence in everything she did.

The two began dating shortly after and, three years later, were married on April 15, 1989, in the Methodist church where Corinne's faith journey began. Their marriage was a true partnership, blessed with deep love and mutual respect. Carl's generous heart and selflessness complemented Corinne's gentle and giving spirit. Together, they supported each other and those around them, always finding joy in acts of kindness. Corinne was endlessly grateful for the love they shared, describing their union as a match made in heaven, and that every day with Carl was a blessing.

Corinne often expressed these parting thoughts: "Be thankful for everything that you have in life and for every day that God blesses you with. Treat others like they are family. Be willing to forgive and to be forgiven. Always be willing to extend a hug and a warm smile to people. Smiles are contagious. Enjoy the life that you have been blessed with! May God continue to be with all of you until we meet again in His Heavenly Kingdom."

Corinne is survived by her loving husband, Carl Robertson, her sister Sue (Kent) Lawrence, and numerous friends and extended family members who were blessed to know her.

Her Smile will never leave my memory, and looking forward to seeing my sister in heaven one day . Praying for you all , Love Taryn* 💕💕

“Hearing this took my breathe away. I've known Corinne since 4th grade when she started Bedford and became fast friends. I would go to her house, spend the night and listen to The Carpenter's. I remember her grandma making a delicious ethnic fruit cake but I don't remember her grandma's ethnicity. I loved her dad. Mr Meadows was the janitor at Besford and we had a friendship prior to Corinne attending and I believe that's why we connected. Corinne and I connected after my return to MI and said how we would get together, but regrettably we didn't. Corinne and Carl's reception was held the same day and at the same hall as my friend whose wedding I was standing up in. Imagine how surprised I was when in the restroom I saw Corinne in her beautiful wedding gown. Me and the bestman from the wedding I was in, crashed Corinne's reception much to her and her parents enjoyment. I will miss you Corinne and know I'll see you and your parents in God's kingdom.

“We met Corrinne during Covid. Their church had closed down so her and Carl visit Faith Baptist because we were open. We all bonded the first time we met and became close friends. I think of her as close as a sister and will miss her greatly. She was a loving, giving and caring person. I know that she is in heaven with our Lord and Saviour Jesus Christ and that one day I will see her face to face! Forever in our hearts! Rick and Toni Hargis

“ Corinne and I met in Kindergarten and have remained close all these years. We were loving sisters to each other and I am heartbroken to lose her. She takes a part of my heart with her. May her memory be a blessing to all who knew her and loved her.
