“ Words are so hard to express the pain and hurt that we all feel right now, so we rely on the Comforter to take us through. We pray for the family and know that God will make it easier to just even get through one day.

Craig I will miss you and I hope and pray to see you again. I loved you the day you were born and I still LOVE YOU. Veronica and Craig SR. I thank you from my heart for allowing me to be a part of your son's life. It was my honor to be his God-mother.  
THANK YOU.....
