“ *Dear Willene and family,
I was catching up on reading the papers from the week-end tonight and saw Curry's obituary. Too late to attend his funeral.
I am so sorry.
There are no words to help your heart at this time. Just know that your friends are thinking of you & praying for your family to try to get through this grief.*

*Sincerely,

“ Dear Willene and family,

Dru and I were so sorry to hear that Curry had passed away. Growing up, Curry was one of my very best friends. I don't know why, as friends, we didn't stay in contact over the years. I guess we just get busy with our lives and neglect our friends. I know Curry is in heaven, and we look forward to seeing him someday. Dru and I share in your sorrow and will be thinking of you and your family.
