“ John, we send you and the family our very deepest condolences. We have the BEST memories of first meeting you both while in Longleaf. We shared so many laughs together with our little gang of buddies, including, of course, Mary Beth. We girls gathered together at the fitness facility where Cindy was super faithful. On occasion, we got to work out with your girls too. I am so sad...I know she was really looking ahead to spending more time in Florida with her friends when she wasn't being an amazing Grandmother. I will miss her beautiful face and heart. Please please stay in touch with your friends here! Promise? Love, Gilda and Bill

“ *Our hearts were saddened with the news of Cindy's passing. She was such a joy and delight to work with. Every contact with Cindy was happy, upbeat, positive, professional and encouraging. Our entire Team loved when she called for whatever reason because they knew she was always so sweet and appreciative for any assistance, no matter how small. We only had a short time to spend working with Cindy and John, but in our business, they stood out as Super Stars and we are going to miss Cindy. I'm sure the family is hurting and sad, especially during this Christmas season. We pray God gives you peace, comfort and understanding. Sincerely and with Warm Regards to John and Cindy's "Girls" (she always called you "my girls"), Debra and Gordon and The Florida Vacay Team.*

Jack and I were so sad to hear of Cindy's passing. We have wonderful memories of Cindy from vacations, athletic programs at the high school, volunteer donut lady, oh so many. When anyone asked her for help she never said no, she was always there. We are sending our love to John, the girls and the rest of the family. God bless you all.
