“ Dear Darlene and Family,
Dale has finished the course and is rejoicing today! Lean heavily on the Lord for strength and comfort. He promises in His Word to help us at times like this and He keeps His promises! We have found it to be true.

“ Truly saddened to find out this news about Dale. A finer man I have never known. I've told God several times today how unfair this is, but He has assured me He knows what is best and my ways are not always His ways. I am praying for all of you family members. May God give comfort, grace, and understanding... Pastor Don Frey

“ Our prayers are with Dar and the whole family, Dale was are friend, he would say that his gift was the "gift of helping" and he did that so well. Even during his time of treatment and feeling so ill, he would insist on helping A good friend!

“ Our prayers will be with you Darlene and your family. It was such a blessing to have Dale on the trip to Costa Rica! He was a true example of willingness and compassion as I watch him with the kids there. He played with them and painted their finger nails. He shared his commitment to Christ during our devotional times as well. I know this wasn't just part of the trip because I have seen the same willingness out at the campground when people needed assistance or help with something. He had a servant's heart and will be missed.

Sincerely,
Diane (and Ron)

“ So very heart broken that Dale is no longer a part of this world we live in. It truly will be a duller world now that he is gone to his true home. I loved Dale and his great smile and passion to tell others about Jesus ... hearing him sing Amazing Grace, My Chains are Gone will be how I forever remember him. To his family ... our prayers will be with you in days, weeks and months ahead as you go through this heart breaking time. Though you can rejoice that he is having an ultimate party and motorcycle ride in heaven ... your emptiness will be great. God is faithful to provide every second of your journey and Dale's example is one that we can emulate ... I am sure nothing would have brought him greater joy! Again you are in our prayers and if you need anything ... please reach out.
