“ *I am very sorry to hear of the passing of my cousin Dan Carney. My memories of Dan go way back to when we were both children and I stayed with his family in their Warren home in the summer. I have memories of us playing together in their swimming pool and Dan wanted to go bike riding and he had me sit on the bike seat while he stood and pedaled us around the neighborhood. It was alot of fun!! Since then we've both grown up and had our families and enjoyed seeing one another during family gatherings. Dan will be missed. I will keep your family in my prayers and hope and pray for all of them to be comforted by Our Lord Jesus.*
