“ *Deb, just heard about Dan, so, so sorry for your loss. We went back a long time, from 2nd hour child development class at Cody to an occasional sighting around town. Dan was always a happy and funny guy who everybody knew and he knew everybody. He will be missed by many. Our thoughts are with you and the family at this time.*

“ So sorry to hear about Danny...What happened? So young. I grew up across the street on Plainview-haven't seen him or the family in years. We(Joe Carol and I) wish to express our deepest sympathy. To Sharon...if you ever get a minute please e-mail me I would love to hear from you.
Again so so sorry...
