“ *Oh Dana, our friend and neighbor, a wonderful mother and a loving wife,*

You will be missed... You had a special talent for being creative with gardening, interior decorating, sewing, and always a great hostess for dinner and game nites and additionally a great shopping-partner-in-crime. You were always there for anything and always a very sincere, genuine, and generous friend. We had many memories and laughs together over the last ten years. I know that you always wanted to be an aunt to our children. We love you and your memory will be eternal...

“ Tom, Ashley and Family...

I was blessed to share a cubical space with Dana at Yazaki for 4 years. She was always a very pleasant, kind and compassionate person that never failed give herself wholeheartedly to whatever she was involved in. Often times Dana shared funny stories and how much love Ashley and Tom brough to her life. About a month ago I spoke with Dana and she was so at peace about her life and her family and I know that was in large part due to the love you all gave her. My thoughts and prayers are with you all. May the God of Peace and Comfort be yours and may those wonderful memories of Dana keep you in the days ahead.

*God Bless,

For us Dana was a bright and cheerful neighbor who quickly became our friend. We will always remember and cherish that backyard chats that always made our day a little brighter. She was a blessing in our lives and will always be in our hearts.

We all have one more angel on our side up in heaven and for that we will be eternally grateful.

“ Tom, Ashley, and family

There are no words for the deep pain i know you have. The words that come to mind when thinking of Dana are how kind she was, and what a HUGE heart she had. I will never forget the day we moved in next door to you and i saw her working in the yard, as she loved to do. She welcomed us with open arms. I had made a dear friend right then and there not knowing that in a few short months she would be taking care of our family as we had lost our sweet Justin. I thank God for all of you and how our families became so close. I feel so sad and i am going to miss my friend, but i find peace in knowing she is now looking out for Justin. Tom and Ashley, always know her love for you is never ending.... she is always with you....she will never be far.

Love you so much.

“ *I extend my sincere condolences to the entire family. The loss of a loved one causes a great void in our lives, but we can find strength in God's promise to reunite us with them by means of a resurrection on a paradise earth; John 5:28,29;Psalms 37:11,29. As the days and weeks pass and you return to life's normal routine may God's wonderful promise and your cherished memories of "Dana", bring you a measure of comfort. Take care*

*Do not stand at my grave and weep,
I am not there, I do not sleep.
I am in a thousand winds that blow,
I am the softly falling snow.
I am the gentle showers of rain,
I am the fields of ripening grain.
I am in the morning hush,
I am in the graceful rush
Of beautiful birds in circling flight,
I am the starshine of the night.
I am in the flowers that bloom,
I am in a quiet room.
I am in the birds that sing,
I am in each lovely thing.
Do not stand at my grave and cry,
I am not there. I do not die.*
