“ *My family and I would like to extend our deepest condolences for the loss of your loved one. May the true God mend your family crushed and broken hearts, and may your family be comfort by God's promise of the resurrection. (John 6:40) Which assures us that we will see our loved ones again.*

“ *Dan was a baby boomer with style. His wit, intelligence, and compassion for his fellow man made him a favorite with family and friends. His lifelong love of Broadway musicals became a part of his language. There was drama, humor and a general sense of droll comedy when conversing. He never failed to championed the underdog. I was there to meet him when he was born, my favorite cousin and best friend! Prayers and sympathy to Glenn, Marlene and family. He will be so missed.*
