“ *Uncle Danny will be profoundly missed by the entire Kellogg family. I have known Danny since kindergarten. We grew up together...through the good times and the bad. If it wasn't for Danny, I would have not have met my wife Lorraine. My children and lovely grandchildren would not have gotten to spend such wonderful time with him.*

My favorite Uncle Dan story was the time a fellow asked Danny, "Where do you aim when you shoot at a deer?" Dan, with a straight face said "anywhere in the eye".

I am sure that things will not be the same without him in my life.

“ *My heart aches at the loss of this great man, my friend Dan. There are no words that can adequately express my feelings towards this man with a heart of gold, a man of integrity, a true man of honor. I have only good memories to hold on to, to look back at. I will not not say "Good bye" but rather "until we meet again". Peace to you my brother. My prayers and sympathy to your family*

“ *May you forever run swiftly with the deer,
Swim fast with the fish,
And fly high with the Angels.*

*Thank you for everything you have taught to me and everything you
have done for me. I will forever be grateful to have been able to
have known you and be a part of your life.*

Love you always your nephew,

Greggie
