“ Uncle Danny was my Uncle dating back to 50+ years ago. Although I haven't seen him in years, I remember his personality, his smile and his laughter. I don't know how, but I do! RIP Uncle Danny! 😭😭

I saw Dan on the Dr. Pol show and was taken by his good natured attitude toward the little kitty he and wife Anna found on the way home from vacation. He seemed so loving toward his wife Anna, too. When the kitty got away from Anna after Doc Pol examined it, Dan tried opening the hood of their new SUV thinking the kitty had crawled up into the engine bay. Dan laughed as he couldn't figure out how to open the hood as it was a new car. I was struck that Dan was so easy going about the whole thing...I would be pissed off and cussing about not being able to get the hood open! So I researched Dan and Anna on Google and was sad to learn of Dan's passing. I suspect he was a successful man based on his smile and good nature. I envy his spirit and happiness he and his wife seemed to share. I want to be like Dan. I am a bum whose only gift seems to be recognizing good people. My sincere condolences to Anna, his family and friends.
