“ Just received a call from the McCarthy's of Lake Lansing, MI of the passing of this wonderful man and family member whom we had not seen for so many a year. There are not too many kinder and welcoming human beings in this world in which we live today. Mary Ellen, their children, their friends and family were yes, so honored to have such a MAN at their side. We need no more super hero's but more DAN'S with quiet compassion and love to give those who cross their path of life!

“ When I was growing up some of the best memories were visiting Uncle Dans and Aunt Mary Ellens house. Many hours were spent playing with Jason and Kevins cool toys and sliding down the stairs. I always thought “ wow they have stairs they are so rich!” 😊 you guys were so fun and im so thankful for happy memories. I am really going to miss you Uncle Dan. I always knew you were praying for me and I for you. I will always cherish the last few years as life brought us both major struggles, but through the struggles it brought us closer together. Only a temporary good bye. with much love, Jennifer.

“ Dan and Mary Ellen were my neighbors and close friends. I enjoyed playing many Skippo games with them over the years and fun and laughter. He will truly be missed. (Karen Sanders)
