

Daniel Lee Niebrzydowski

July 29, 1957 - January 7, 2022

Niebrzydowski, Daniel Lee, January 7, 2022 age 64 of Howell. Beloved father of Erin (Jake) Thayer and Erica (Scott) Chunovich. Proud grandfather of Liam 13, Mila 10 and Declan 6 Thayer, Benjamin 5 and William 2 Chunovich. Dear brother of Rick (Chari) Niebrzydowski and Sharon (Bruce) Cislo. Dan leaves behind many nieces and nephews. Dan was truly a renaissance man. He taught himself how to play the guitar as a young man and began painting acrylic landscapes later in life. He was awe inspired and humbled by nature. His intellect was amazingly deep. He was technical, spiritual and open with his emotion. Despite not living a long life, he lived a full loving, humble life that was full of family and friends. He formed strong relationships with those that he met and was loved by many. A Celebration of Daniel's life will be held later this year when it will be possible to celebrate in nature. Arrangements entrusted to Vermeulen-Sajewski Funeral Home, 46401 Ann Arbor Rd. W., Plymouth. To share a memory, please use the Share a Memory tab on this web page.

“ My Name is Dodie Harris. As your father, brother, friend Dan signed his beautiful paintings, Dan Nieb. In 2019 my husband & I commissioned Dan to paint some vivid memories of our African Safari pictures. His work of 5 magnificent paintings of animals in our home is a lasting memory of this sweet man whom we got to know over the next 14 months. Dan had never painted animals before. The animals & their environment he painted for us after scanning our selected photos and meeting e him many time through this commission, we became friends. His work of the wild Safari animals we selected for Dan is magnificent. Your dad, brother, friend had never before painted animals he told us. He was thrilled to take in our work and he has graced our home w his talent and his energy, I really want to talk to someone who can tell me how Dan died. I am so upset, but I had a deep feeling he perhaps had died, because I have texted him, called his cell never to reach him. I have done that for the last 2 mo ths, just wanting yo check up on him and chat. Not like Dan to not return my text or phone call. Then I Googled his name and saw his obit. I am so sorry this fine, talented man has passed. What a loss. Please someone contact me.

“ *I recently re-connected with my cousin through Facebook. I found that we shared a lot of mutual views and looked forward to seeing him this summer sometime. Well, I guess God had other plans for Dan, I will miss him.*

I am very saddened to hear that my cousin Dan has passed away so suddenly. I have vivid memories of visiting often when we were children. Uncle Chet and aunt Marie will be welcoming him with loving open arms. To Rick and Sharon my heart goes out to you I know how difficult it is to lose a sibling, Love Lisa
