“ So very sorry for your loss. His hat and smile remind me of my husband that passed. I did not know him but know the pain in your hearts. Peace to your whole family.

“ I am going back in time to two little boys Danny and Mark. We would tease Uncle Rick and Aunt Delores about starting their second family 😊 Danny was our football player , he just took up the whole room, he was a size to recon with. It has been awhile since seeing Danny. The Novasky family has always been part of my life and always will. Love you Dan 😍 Sorry for your loss kids, love you Doris

“ Dan's laugh was infectious, it would fill an entire room. Even though years had passed, since I had seen him he had a great big hug, wonderful smile and wise word to share with me. We send our sympathies to the whole family at this tragic time.
