“ So sorry to hear of Danny's passing, prayers to Marie and the rest of the family. We were all involved together in the Irish Dance world and particularly at the Detroit Feis where we worked together for many years. Danny always knew when I was getting a bit stressed out and suddenly a cup with Baileys in it would appear. So many great memories.

“ Dan was so much fun as a participant in aerobic classes when I led fitness classes at Unisys. He invited Shannon & Diana to join us and more shenanigans were added to our exercise class. I am fortunate to have become close friends with Marie & Dan after all of our knees started complaining. Such a lovely family; such a huge loss to Dan's family and to all whose lives he touched. I am so grateful to have called him ' friend'.
I will come to cherish Marie's friendship & am so thankful that she has such wonderful children and grandchildren to carry her through this incredible loss. They truly were the personification of love.
