“ *My sympathies to the Stowe family.*

*For last 20 years, I sat right next to Dan at Plastipak. For a majority of my weekdays, the first conversation I had with anyone was with Dan.*

*I knew him as a kind, generous person, loving father, son & husband and a wonderful friend. We shared many a morning breakfast at Leo's Coney Island before work and many beers for happy hour on paydays.*

*I learned so much from him professionally, personally. His patience and even temperament was inspiring. I know his faith has brought him to a good place.*

*I'll miss you Dan.*

He was a dedicated long term volunteer for our monitoring programs, helping to lead teams of volunteers in collecting data for the river. He was so enthusiastic about the work and engaged his family. “ *So sorry to hear Dan had passed away. I had the privilege of working with him for many years at Plastipak and he was amazing in so many ways - kind hearted, hard working, responsive and always had a big smile for those around him. I know he was so proud of his family and you could see him beaming whenever he introduced them or spoke about them. My thoughts are with you and your family. Gene Mueller*

“ Words are hard to come by when the unexpected like this comes. I have worked closely with Dan for the past 5 years at Plastipak and in that time he has been an ear for me and helped me on my bad days with my dad's stroke and eventual passing almost a year ago. My heart, thoughts, warmest wishes and prayers go out to your family during this time as it is all too familiar and too soon for such a great person and friend.

Thank you Dan for the memories and words when needed.

“ I'm very sorry for your loss. Dan was extremely well-liked, respected, and counted on by so many of us at Plastipak. It's difficult to find people that always follow-through with promises, but Dan was one of those rare ones that did. More importantly, he was always kind, friendly, and had a smile for everyone. He will be missed and I'll be offering a Plenary Indulgence for his soul and praying for your family. God Bless, Bill Haney

“ Dan was a great teacher and in the past 5 years he helped me train several members of my team at Plastipak. He was always willing to help and support the sales group. I especially enjoyed hearing about the wildlife on his land up north, from the struggle to replace trees downed by beavers and the surprise visit from a timberdoodle. Thank you for everything Dan and rest in peace.
