“ I'm sorry to hear about Dan. I was always proud to call Dan my friend. I first got to know him from our neighborhood that we grew up in and later I worked with him at Montgomery Ward in the auto center. I really looked up to and admired him and remember the good times that we had. I am praying for you Jeannie, your daughters, Sandy, Randy and the rest of your family that God gives you strength during this difficult time, with the knowledge that Dan is with him. We can look forward to being there with him also one day. With sympathy,
Dan Berger

“ To Dans family,
Dan was a extremely kind man and the short time I worked with Dan was great. The stories he told me were always fantastic. Dan was a fantastic man and treated me with so much respect. I feel so bad we lost such a great man. Dan was one of the best out there and may god rest his soul.

“ To Dans family:
Dan was such a kind ,interesting man.He was one of the best people that I striped cars for. Always positive ,never negative. There were actually times when I stopped by, unsolicited, to chat. I'm sure he was too busy to chat but it never seemed that way. His work duties seemed non existent while he devoted precious few minutes to ME.....every time I left a conversation with him I was “ all smiles”....he made everyone just “ feel better”. Dan was a special guy that I missed after he retired. I knew of his struggles and truly hoped he had a little longer .It was a better place with him around. My condolences to his family.
