“ *I am so saddened by Darin's passing. Though I had not seen him in years, I have many memories of him when we were younger - He was a frequent fixture at our house with my brother Duane, along with KC, Bronco, and Charles - May God give his family peace. Until we meet again.*

“ My favorite memory of Darin was playing “ding dong ditch” in the Canton neighborhood while our parents partied and danced! Also, riding on the back of his dirt bike in Saline! We reminisced our family fun times at the lake for the 4th of July celebration in 2017. Always in my heart! If my faith serves me right, we will meet again! Blessings and strength to your children! Love you DarinMcGill!

“ I don't remember the first day I met Darin, must have been the year 1979 or 80 when I was about 4. Our families were friends on Runnymede Drive and Darin came to my 5-year-old birthday party. From the pictures I found, it looks like he was having loads of fun. Either he really liked me or the chocolate frosting, either way, I like to believe he really liked me. He was the first boy I danced with, and I remember that dance...I was in love! Well, he was easy to love. Darin was funny, sweet and kind. I am so very blessed to have known him. We lost a dear friend and we will miss him fondly.

*Rest in peace, and God bless the McGill family

“ Darin, you will be missed and I enjoyed working with you before and at Walbridge. Your experience in the construction field and being able to apply it in the procurement was invaluable. Outside of work, I was so happy to chat with you and will never forget you giving me our first out of state project in Washingtonville PA when I was working at another company. My thoughts and prayers are with the entire McGill family especially the children who I know he loved so much.

“ I worked with Darin during my years working at Walbridge. Darin was very knowledgeable and I enjoyed working with him. He loved his children so much and displayed many of their photos in his office and often told me about them and their sports. The last project Darin and I worked together on was in Tampa, Florida. We had several dinners together. Darin was a good person and loved life.

You left too early my friend.

May God rest his soul in peace.

“ I worked with Darin at Walbridge for many years, and he was one of the most capable and professional people I encountered. He loved his children a lot, I remember him bringing them to "Bring your child to work day". He was so proud of them. I'm really sorry for the family, we'll keep you in my prayers. Rest in peace Darin!

“ I had the pleasure of working with Darin when we both worked for Walbridge a few years ago. He had a larger than life personality. He will be missed by all that he touched.

My heart goes out to his entire family. He talked often about his children and loved them very much.

Rest in peace my friend.
