“ Aunt Darlene, you were and are (just now as an Angel in Heaven) one of sweetest, loving people I have met! You could see the love you had for your children and grandchildren, how special each was to you in their own way!

*I thank you for all the kind, encouraging words you have ever said to Jeff and I! I truly appreciated every single one! Many people might feel things that they don't actually share with the ones they love, YOU DID! You wore your heart on your sleeve, you made it very clear your love! I am glad we even made you proud! If you made us feel that love, when we are just your nephew and niece <3 , how wonderful and loved I KNOW you made each and every one of your kids and grandkids!*

*I wish we could have seen you more, but you more than made up for it online ;) Today I am thankful for Facebook! Facebook often brings drama, but with you, it brought a closer relationship with us! I will always be grateful! xo*
