“ *To a very "special" lady who will be deeply missed, little did we know, that afternoon GOD was going to call your name, in life we loved you dearly, in death we will do the same. It broke our hearts to lose you, you did not go alone, for part of us went with you home. You have left all of us with beautiful memories, your love is still our guide, and although we cannot see you, you are always at our side. Our prayers and thoughts are with your family.*

“ Hello to Deenie's family. I know Deenie through Alvaro and the accordion clubs. I, too, am from MI (Romulus), so Deenie and I hit it off well. I am lucky to have known her and I am so very sorry that our friendship was not longer. (I met Deenie's sister when she was here visiting, too). Please accept my condolences and know that she will be missed. Corky

“ I cried today and yesterday too, but thats nothing new, I've cried everyday since I heard the devastating news. I send to you all a part of our hearts, a hug and the knowledge of how much we loved Dar too. Her wings were made with special care, for she was a person who made so much of a difference in all of our lives.  
Love to you all....Carol
