“ *Dear Schumaker family,  
I'm sad to see this day has come for your beautiful Mother because I know you are all heartbroken. I am sad too, but I remember so many warm memories of your Mom. Growing up with Laura on Whithorn were the best times of my life. Your Mom always lovingly welcomed me into your home, as if I were one of her own. I loved to watch her knit, and loved to see her make crafts. I remember one time in particular being mesmerized as she was making Holly Hobby crafts. She was so patient and talented. I also will never forget the beautiful sweater she knitted for your Dad, her "Bird." Your Mom was a sweet and gentle soul who was a pleasure to be around. She always genuinely cared about me and what I was doing. She will always be remembered fondly by me. I hope you all can take comfort in knowing that without a doubt, your Mom will be welcomed into the arms of Our Lord and Savior, Jesus Christ. God Bless you all.*

“ *I was in Jr high civics. We had a teacher who professed to be  
communist. Mom stormed the principals demanding to know "why in  
the hell there was a communist teaching American Civics". That  
teacher was gone next semester.*
