“ *Dear Aunt Marianne, Curt, Scott and Chris- I want to remind you all how deeply grateful my family was for your dad while my dad was dying. I don't think my dad could have asked for a better brother. He, and all of you, were so kind and attentive to my dad during his final weeks. I know that they have found each other in Heaven to talk and laugh about their old stories. Uncle Dave will be missed!*

“ Dave always represented himself and Detroit Diesel in a friendly professional manner. When I think of Dave it takes me back to an era at Detroit Diesel dominated by folks with a "Can Do" attitude with Pride in our work. Those were happy times and Dave contributed greatly in advancing that pride to those of us still searching to "make our mark".
