“ *Dear backos family, I'm really sorry about your loss. I found out about Dave's passing because I was looking for one of his board games. My dad (Larry scheffler) did the art work for don't bug me and 3-2-1 blast off. My dad has also passed on and I wanted to find one of the board games to give my child. And unfortunately while looking online for the games I came across Dave's death notice. Sorry again for your loss. Will be praying for you. Sincerely, jill*
