Dave was a blessing to our family because he gave us Marion and he saw to her care, and he was a father figure to Mike. He was a pleasure to have around from day one to the last. We made sure to keep him around no matter what, and it was always a joy to see him at get togethers. The last one being Rhea's funeral, only a short while ago. And now his own. What a double shock to Marion and Mike. We are grateful for the years we had them both.

Great guy, always something funny to say. Used to live nearby him in Westland, in 90's. Met him in a garage in Highland Park in 1969...R.I.P. and Godspeed!

So sorry to hear Dave has passed. He was truly a nice guy. All during High School he was revered for his ability to do what none of us could. Those in the know understand. To the family and latest friends you were blessed to have him in your life as you know. Peace David. I still hear your voice in my memories. One of a kind.
