He was a great person!! He was my boss when I was in the Navy stationed on Guam. If you treated him as he deserved , he treated you like wise.

Father Dave and I were stationed together at Naval Station, Guam 1982-1984. The Italian made organ in the chapel was failing and you could not get repairs for an Italian made organ in Guam. I was the Supply Officer/Comptroller so Dave and I conspired to “slant “ the truth to our respective superiors at our Headquarters command at Pearl Harbor, Hawaii. Lo and Behold we ended up with funding for a new Japanese made organ for the chapel that could easily be repaired in Guam. I’m sure the Lord has forgiven both of us as it was for the good of the congregants of the chapel. Rest In Peace Shipmate Dave. Rick Nelson, CDR,SC,USN (ret)

“ *You were a man of great spiritual conviction and grace. Your presence as Priest of St. Anne's during my youth was instrumental in my spiritual growth. A true honor and privilege to have you preside over my wedding and marriage to Jennifer. We have been spiritually blessed in the sacrament going on 20 years. Thank-you for being such an impact to me and my family!*

“ My husband (Mickey) meet Fr. Brock in the US Navy. We then meet up again in 1963 at Ephany Parish in Detroit. My 2 young sons were killed in an accident and Fr. gave the most amazing Euology, I will never forget it. He was a wonderful friend and Priest. My sincere condolences to the family.
