“ *Although it has been many many many years since I've seen, Dave, I will always remember him as a kind and gentle man. I remember thinking that Karen was always so lucky to have him as her husband. they seemed to get along and being so very happy together. Rest in peace Dave, watch over your family and remember that they love you so much and miss you.*

*One of my most prized possessions is a paperback copy of Leonard Maltin's Movie & Video Guide, a gift from Dave many years ago when we were co-workers at a hardware store. It was a very thoughtful way for him to commemorate the times we had enjoyed discussing old movies we had seen while growing up. Over the years I have spent countless hours browsing through that volume, thinking of him all the while. Thanks, Dave, for your kindness and friendship.
