“ David was a valued member of our Michigan Medicine team. He always had a smile on his face and was always willing to help his co-workers and customers. I distinctly remember the last non-work conversation we had was around his family and marching band. You could see the importance of both in his life. I pray for peace for your family, today and as you move forward. David will be greatly missed.

“ I have known David since we were in kindergarten, and he was like a brother and a great friend wrapped into one. We spent much of our time growing up together in the UP. David was wise beyond his years and always had an infectious smile and hardy laugh. David was truly One-of-A-Kind, and he will be sorely missed. David was always family first and he loved his wife and children. My heart aches for his family as you navigate this unimaginable loss. David's impact on life was immeasurable, and his memory will continue to shine brightly. This is not Goodbye my friend, as I will see you someday for a beer and laughs. I love and miss you brother.

“ Like so many others, I knew Dave through his work with the Plymouth-Canton Music Boosters and his tireless volunteer efforts with the marching band there. While others, particularly the equipment crew, may have known him better, he was always friendly to everyone and his dedication and commitment to the program were extraordinary. He will be missed. On behalf of the entire Ragland family, our deepest condolences to Theresa and the family.

“ There are no words that can express the loss we feel from David's passing. David has been a member of our team within Michigan Medicine for over a decade and he was admired by his colleagues for the care he took in working directly with end users to solve their issues. He was a positive and dedicated team member who was always willing to help others and always advocated for the needs of the end user. David consistently received praise and acknowledgement from across Michigan Medicine for his excellent customer service. He will be missed. Our hearts, thoughts and prayer go out to his family for their unfathomable loss.

“ For 52 years we were there for each other. We have had sleepovers as young boys, we rode the streets of St. Ignace in our teens listening to RUSH on the 8-track, we vacationed together, we stood up in each other's wedding, we were there for each other when our children were born and when our parents died. We have been friends and experienced each phase of life together. Now, I'm lost and I'm unsure what to do. My heart is broken and shattered for Teresa and their children, Adam, Kate, and Sara. Rest easy Ebster my longest lifetime friend.

“ My family and I are heartbroken and offer our deepest condolences to Theresa, Katie, Sarah and Adam. We were fortunate to get to know and work with David through wonderful family that is the Plymouth-Canton Marching Band. Besides being an all around great guy, David was so friendly and welcoming to me when I was a crew newcomer. His commitment to all of the kids in PCMB was inspiring. He was constantly going the extra mile to help out wherever he could. I would've never had the nerve to drive a 20 foot box truck to Indianapolis without David's encouragement and training. Rest easy, friend.

“ Sincere condolences to Dave's wife, children and the rest of the family. There were a number of times over these MiChart years that I chatted with Dave about our kids and their band and Eagle scouting adventures. He clearly loved all of those activities and all of you. “ I knew Dave Eby through working with him on the PCMB Crew. Dave is one the kindest people I have known. He always was committed to helping out and lending a hand. Dave always tried to look out for problems that could be encountered and plan to avoid them. In my experience is one that gave it all to help people and never complained while doing it. Teresa, Adam, Katie and Sara I am profoundly sorry for your loss. Dave was one of the good ones and he definitely was taken too soon.
