“ *Dave meant so much to my son and many kids who hung out at the bike shop, the Saline community will be at a loss without him and the opportunities and mentoring Dave gave to the young men. He will be greatly missed, but always remembered. Our prayers to Dave's family and all of the people he touched.*

“ *When I heard the howling tears of one of the kids from Dave's Bike Shop, I understood the depth of the feeling the kids had for Dave and Dave had for his kids. He meant so VERY much to our community and his death is a very sad loss to us all. As one of the parents said, he was so good to my kids. He will be terribly missed! May he rest in PEACE.*

“ *We would like to express our deepest sympathy for your loss. There is no way to measure the extreme loss to our community and to all the young people that Dave was always there for. Dave was a wonderful young man and will be greatly missed by many. Last night (11/5/06), there was a meeting held by many of the parents of kids that hung out at the bike shop to discuss how to help these kids through the loss of Dave and the bike shop. Dave was not only a very close friend but a father figure to many of these kids, so we felt the need to help them through this traumatic loss. Our thoughts and prayers are with you at this very difficult time. Please try to take care of yourself.*
