“ Dave was one of my first and best friends when I moved to Livonia in the mid sixties and started 4th grade. We kind of drifted apart in high school, but it was really great to reconnect with him at a couple Livonia Stevenson reunions, the most recent just a couple years ago.

Dave was simply a great guy...always giving and always cool. I'm glad I have a lot of fun memories of our times together.

All my best to Danette and the entire family.
