“ Me and my Cuz shared a lifetime of memories together. Growing up we would sled down Sandy Hill in the winter. In summer we would ride our bikes to fish at one of the lakes in Edward Hines Park. We were neighbors for a time where we watched our families grow. Dave was a skilled carpenter who eagerly shared that talent with others. He was a stubborn man and a perfectionist. It showed in his work. He was like a brother to me and I will miss those long conversations and that boisterous laugh. Love you Dave and I will see you on the other side.
