“ Uncle Dave, so many memories of you and I as I was growing up. 3 of the best are when you took me for a ride down the street in the dune buggy and grandma was out there yelling at us, and of course when you had the vet and I got to ride in the trunk, and of course grandma wasn't happy about that either... :) Also getting me to know rock and roll music and dressing up like Kiss for Halloween and you busy taking pics. Way to many memories, I could go on and on. You may not have known but the childhood memories of us I hold dear to my heart. I love you and will miss you terribly... Love you Jeanette
