“ *I grew up with David and Shelley. Lived just down the road from them when they lived on the house on the hill. (Kids now days call it the haunted house) I spent a lot of time at their house with him and Shelley. They were my best friends. Shelley was always having pajama parties, and get together's. Sometimes when I was there Shelley would be busy with her horse or her music and David and I would arm wrestle We both got a kick out of that! I walked on cruches and everybody said my arms were really strong. After he moved to West Branch I used to go and see him to say hi at the A and P where he got a job. I did not know that you had a house in West Branch now or I would have contacted him. I will always have fond memories of him. May it help his family to know that he is in a better place now. He was one of the nicest guys I ever met and he and his family will live forever in my heart. Julia Bellor*

“ Dave was a long-time Kiwanis friend. Just a few weeks ago he called me to set up an inter-club with the Canton Kiwanis Club. I admire him for staying so active to the end. He was so instrumental in organizing the "Kids Against Hunger" event in Plymouth last year. The Canton Club was proud to be a part of that and grateful for his commitment to that project.

He was well known to be a devoted family man and a good friend. I'm glad I knew him. He will be missed. On behalf of the Kiwanis Club of Canton we offer our sincere condolences to his family.

“ *We have such fond memories of Dave and his family. You guys always opened your home to our family when visiting. Our children (Amanda, Matthew and Adam) still talk about our visits. We were very blessed to have gotten to spend time with him. He was such a great example of a Husband, Father, Grandfather and Friend. He would always take time out to talk and make sure everyone was okay and not in need of something. He will truly be missed by many. May Dave rest in peace and may God give comfort to his family. We love you all! Paul, Susan, Amanda, Matthew and Adam Toutant*

“ *Dave was a high school friend. Through the years, I've never known him to be anything but kind. He was always friendly, easy to talk to, and a perfect catalyst to any conversation involving several people. He was one of the key people in organizing our class reunions. He was a good man. He will be sorely missed. My thoughts and prayers go out to Linda and the family.*

“ *Uncle Dave was my Godfather. I have very fond childhood memories of times spent with the family. The Siegrists may not be blood, but they are family. My heart goes out to Aunt Linda, Amy, Michelle, Michael and all other family and friends who are in mourning. You are all in my thoughts and prayers.*

“ *Dad Siegrist was like my second father growing up. He treated me like one of his own and his home was always a safe place where I could find 2 caring adults who would always make me smile. A piece of my childhood went away when the Lord took him and his laugh, smile and hugs will always be remembered. He gave way more than he took and truly made everyone in his path happier just by knowing him. I know he is pain free now but he was taken too soon. I love you Mom Siegrist, Amy, Michelle and Mike. You are in my thoughts and prayers.*

“ *I had the pleasure to meet Dave through his kids. I was the exchange student who needed a home and he and his family welcomed me into their home as if I was born into the family. Throughout the years Dave continued to help me, allowed me to move in with them right after I graduated college so I could start on my feet. Dave had a huge heart, always made everyone around him feel welcome and included. I do recall him asking my mom to dance at my wedding since my mom had come from Brasil alone for the festivities. All of his kindness and actions have impacted my life in ways that he might not have known. I am truly blessed to have met him. Thank you Dave, thank you Linda , Amy, Michele and Mike for sharing your dad with me.*

“ I first met Dave as a professional CPA on the advice of a mutual friend. Dave, as always, was a good listener, understood my personal and corporate tax needs, gave sound advice and gave you a strong feeling of confidence. These factors were double important to me at the time, because our then company CPA was the exact reverse in these traits. The change was like a breath of spring fresh air.

Dave and Linda have represented my wife and I and our company on a professional level for over 10 years. He quickly became a personal friend, not just a professional adviser. He and his wife, Linda, have always been responsive, time sensitive, cordial, and personally and professionally involved. Dave introduced my wife Chris to his charitable food bank distribution program that he helped organize and promote for years. It was always a privilege and a pleasure to work and associate with Dave on any level.

As a friend, and adviser, he will certainly be missed. My life has been rewarded having Dave as a friend.
