“ I’m shocked and saddened to learn of Dave’s passing. I know how devoted to one another you were. May your memories comfort you.

“ Sue,
I am so very sorry to hear about Dave. You and Dave had such a great relationship - it always seemed that you enjoyed each other’s company...and shenanigans!!!! I know you will really miss him. I enjoyed spending time with him, be it at a school function, dinner, or at your house. We lost a good one. Sending love and prayers.

“ Dave and Sue were the best neighbors for the 14 years we lived in Plymouth. Dave took great pride in lawn maintenance and went after the mole infestation in his yard with a vengeance. We admired that perfect edge he laid down along the sidewalks. Loved the tunes that would blast out of the stereo. Dire Straits was a popular groove. I remember him introducing us to their theater system and how giddy he was cranking out the subwoofers. They entertained outdoor sit-ins, where we enjoyed catching up on the latest happenings. Our last remembrance of Dave was that big ear to ear grin after cruising in his pride and joy red corvette to our daughter’s graduation party. Due to distance or time constraints, we will always regret not meeting up once again to celebrate the good times.
RIP Dave.

“ *Many happy memories. Our parent got together every Saturday night to play cards. Us kids played and had a blast. I remember Dave always had a nice car. When we were in Indian River we went for a ride along the lakes. It was beautiful! I will never forget all the time we spent at half moon lake with Uncle Bobs boat. You will be missed.*
