“ *I had the pleasure of having DJ in my French I class. He was always so nice to me and his classmates. Besides the drawings in his sketch book, I remember all the drawings that ended up on his class work. Last year, after he was done with taking French, DJ would come by with a a smile on his face to say hello and show me his latest drawings. He will be missed.*

“ Dj was one of the nicest kids I have ever met. Back in middle school, he was one of the only classmates kind enough to talk to me. He was really talented too, he enjoyed drawing and his drawings were really good too. I still cannot believe this happened, I wish we never lost touch. Dj was one of the nicest people I've ever had the pleasure of meeting. My prayers go out to his friends and family.
