“*Deb was a dedicated volunteer, deeply committed to serving women at Another Way Pregnancy Center. For over eight years, she met with those facing difficult challenges surrounding untimely or unintended pregnancies. She most enjoyed sharing Bible studies and sharing Faith, bringing real Hope and encouragement to others. And she loved hugging and rocking babies!*

Debby was flexible, shifting her schedule to serve the needs of the center. She was willing to do whatever was needed to help things run smoothly.

We miss her dry humor and her contagious smile. And I miss her insights and the questions that helped drive us to excellence throughout our growth in ministry. Her clients miss her steady presence, acceptance and unconditional love.

Her impact in the lives of her clients will not be forgotten.

The battle is over. The pain is done. While we celebrate her eternal healing, we miss her already.

Our condolences and love to her family and friends.
